

# Annotation Test PDF

This PDF contains various annotations for testing FS\_QUADPOINTS and FS\_RECTF marshaling.

Text Highlight Area 1

Large annotation area for quad points testing  
Multiple lines of text for markup annotations

Normal Rect

□ Tiny Rect (5x5)

Large Rectangle Area (400x120)

## Edge Cases:

- Negative coordinates (handled by PDF coordinate system)
- Large coordinate values (near page boundaries)
- Zero-size rectangles (single point)
- NaN and infinity values (tested programmatically)

Page 2: Complex Annotation Scenarios
