

Comprehensive Marshaling Test PDF

This PDF combines multiple test scenarios:

- UTF-16 bookmarks with emojis and special characters
- Searchable text content in multiple encodings
- Large bitmap images for buffer testing
- Various edge cases for marshaling validation

UTF-16 Text Testing

Emojis: ██████████

Diacritics: café, naïve, résumé, São Paulo, Zürich

Greek: Αλφ▯βητο (Alphabet)

Cyrillic: ████████████████ (Hello)

Arabic: ████████ (Hello)
